Class Descriptions for Newly Added Classes:

- **THEATER DANCE** - The goal of this class is to develop the skill of storytelling with dance. Class will begin with theater games and then students will work on a dance that focuses on creating characters and telling a story through dance.
- **CREATIVE MOVEMENT** - This class will focus on fundamentals of technique and “fundamentals of ensemble movement”, paying special attention on dancing in groups, formations, holding space, directional patterns, and team building.
- **BALLETJAZZ** - This is a combo class, part ballet and part jazz. *Beginner Level* - Designed for the beginner student! The first half of class will consist of fundamental ballet exercises. The jazz portion of class will focus on connecting movement so it flows through space, and building a jazz dance vocabulary. *Intermediate Level* - Designed for the student who is ready for the next level! The first half of class will consist of a ballet barre. The jazz portion of class will focus on breaking down turns and leaps, and connecting movement within the jazz dance vernacular.
- **ADAPTIVE DANCE** - Our Adaptive Ballet/ Dance class is designed to provide an inclusive and supportive environment where individuals of all abilities can explore the beauty and joy of dance. Adaptive Ballet/ Dance is targeted for children with various special needs. Tailored to meet the needs of each participant, this class focuses on improving strength, coordination, balance, and flexibility through modified dance techniques and movements. Whether you're new to dance or have previous experience, our skilled instructors use adaptive methods to ensure everyone can participate at their own pace, with individualized support. The class is structured to build confidence, enhance motor skills, and foster a sense of community, offering a positive and empowering experience for all.
